

Benefits of Our Builder's Risk Plus Quoter

- Get a quote day or night.
- Pre-qualify the risk.
- Receive immediate response.
- Compare deductible savings or optional coverage costs.
- Produce a quote summary with limits, deductible and optional coverages.
- Generate an application or print a binder.

Eligibility Guidelines

Commercial and Residential Construction within these parameters is "quotable"...

Applicant

- Contractor, Owner or Developer;
- Has not declared bankruptcy in the last 5 years.

Contractor

- In business more than 2 years;
- Insurance has not been cancelled or non-renewed (past 3 years);
- Has completed similar jobs;
- Has good loss experience (past 3 years) - not more than one loss, and none more than \$10,000.

Construction Site Location

- Not Florida, not Hawaii;
- Zip code's crime rating is less than twice the national average;
- County does not border and is not near the Atlantic Ocean or Gulf of Mexico;
- Fire Protection Class: 1 through 8.

Project

- Has not begun;
- Is not a renovation or addition to existing building;
- If frame construction, not more than 2 stories.

Optional Coverage Eligibility

- Earthquake - Counties with Mercalli rating of VII or less.
- Flood - Outside of the NFIP 500 year (which includes 100 year) flood zone.

Maximum Limits

- Frame: \$500,000
- Joisted Masonry: \$1,500,000
- Non Combustible (steel): \$1,500,000
- Masonry Non-Combustible and Fire Resistive: \$10,000,000

System Requirements
